

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary days  
before the election  
is a clear example  
of the dangers of  
media consolidation.

I am very concerned  
that large media  
companies have the  
ability to present  
highly biased  
programmatic content  
in order to alter  
public opinion and  
stifle true  
democratic process  
in this country.  
Large corporations  
such as Sinclair  
must be held  
accountable for  
serving ALL segments  
of the community,  
not just the  
affluent upper  
class.
